Parents need to notify staff if an individual other than those who are on your child's authorization sheet will be signing your child out.

Behavior Management Policy

We utilize and encourage the practice of praise and positive reinforcement as effective methods of behavior management. We believe that when participants receive positive, non-violent, and understanding interactions, they can develop good self concept, problem-solving abilities, and self-discipline.

The City of O'Fallon Parks and Recreation Department supports and practices the following Behavior Management Policies:

1. Quiet Reprimand/Verbal Warning.
2. After second offense, the child is placed in timeout. Timeout is based on one minute per year of the child. For example, a three-year old child would be put in timeout for 3 minutes.
3. After third offense, a meeting is scheduled with the director, the incident documented and parent/guardian is apprised of the situation.
4. Additional behavior problems will constitute parents being called, second written incident report given to parent/guardian and a possible 1-2 day suspension from the program.
5. If negative behavior persists, a third written incident report constitutes that the participant will be dismissed from the program and no refunds will be given.
6. For severe offenses, such as but not limited to fighting, theft, vandalism, possession of weapons or drugs, severe verbal threats, or sexual misconduct, the participant will be dismissed from the program immediately, without warning, and no refund will be given.

Policy for Changing Children

Children must be fully potty trained in order to attend Preschool. We understand that young children are still developing bathroom habits and they do have accidents periodically. We try to keep accidents at a minimum by taking all children to the bathroom at regularly scheduled intervals. We ask parents to ensure their child uses the bathroom at home before arriving at school. If child become wet at preschool, the child is immediately taken to a bathroom. The child is handed a baby wipe and encouraged to wipe the wet area. Dry clothes are handed to the child to dress him/herself. From the point the clothes are removed to the point the child is dressed, two adults are always present. If a child has a bowel movement accident, the child is immediately taken to the bathroom. If a child is uncomfortable with our staff assistance, parents may be called to ask if they would like to come to the school to change their child or if they would mind if staff member cleaned the child. Two adults will be present while the child's soiled clothes are removed and the child is cleaned. Fresh clothes are handed to the child to dress him/herself. All soiled clothes are sent home to be washed.

Dress

Please be sure that you send your child in simple clothing that is free of complicated fastenings. Remember that at times our art materials may be messy and children will be going outside. Provide sweaters and jackets even on the first sunny fall days. It is much easier to remove an unneeded item than to put on something you don't have. Be sure to put labels on all outer garments including hats and umbrellas. Cowboy boots and dress shoes often have slippery soles and are not appropriate for preschool. All shoes must have a back to be safe.

Teachers

The Renaud Spirit Center Pre-School will follow a 10:1 ratio. For every 10 children, there must be one teacher. There will be one lead teacher and one assistant teacher. Both will be present when the pre-school is open.

Notification of Changes

It is the parents' responsibility to notify the Renaud Spirit Center Pre-School director of any changes such as but not limited to address/phone number change, adding or removing someone to the drop-off/pick-up authorization list, allergies, update immunization records, etc...

Discharge or Termination of Agreement

After the first day of a 12-week session, the Renaud Spirit Center will not accept any requests for withdrawing from the program. If a child wants to withdraw before the program starts the request must be made 2 weeks in advance and in writing.
