

# Get an annual RSC Corporate Membership if you work in the City of O'Fallon

If you're employed in the City of O'Fallon, you qualify for a discount on a membership at the Renaud Spirit Center (RSC) indoor recreation complex.

The Corporate Membership program is available to full and part-time employees (but not seasonal or temporary employees, sorry), who work for a business, non-profit or government agency in O'Fallon city limits.

The program offers access to all these year-round RSC amenities: the aquatics complex, the fitness center (weight room and exercise machines), an indoor track a, gymnasium (basketball, volleyball and other activities), aerobics studio and Member Appreciation Days. The Renaud Spirit Center is open daily except Easter, Independence Day and Christmas. Enjoyable programs, party rooms, child care and snacks and drinks in the food court are available for additional fees.

It's easy to sign up. Businesses and non-profits are automatically enrolled in the program (and their employees therefore eligible) if they have a current City of O'Fallon business license.

To get the Corporate Membership discount for employees, sign up in person at the RSC and present proof of eligibility:

1. A letter of affirmation on your employer's letterhead and signed by your supervisor
2. A current paycheck
3. A business, non-profit or government I.D. with your photo

The cost for an annual Corporate Membership paid in full or monthly is:

Youth (ages 3-18)	\$310.44/\$25.87
Adults (ages 19-54)	\$413.91/\$34.49
Senior (ages 55+)	\$274.84/\$22.09
Family (limit 5)	\$607.07/\$50.59
