

Civic Dance Studio June 2016- May 2017

This great eleven-month dance program encourages students to practice and improve throughout the school year, and culminates with a Year-End Dance Recital. Class participation is crucial in preparing for the recital, so we ask that children commit to attending ALL scheduled classes through May 2017.

New students will be accepted into the program at any time; however, students joining after January 2017 will not be eligible to participate in the recital held. Classes are held at the Civic Annex.

Regular participation in Civic Dance Studio is the best way to help students build a progressive foundation for dance as they learn and practice dance steps and master the skills they need.

Payment Options

Option 1 - Bi-Monthly Tuition

If you are only taking 1-3 classes this is the option for you! You will need to sign up for classes each session. Each session typically runs about 8 weeks. You must sign up in advance- we prefer you sign up 5 days in advance so we can get an accurate class count. Signing up the day of the program or after will result in a \$10.00 late fee. As a courtesy we try to send out reminder emails a week in advance before the new session starts. The rates for these classes are based on the length of the class. Rates are listed below. These rates are based on an 8 week session. If sessions are shorter, than these rates will be pro-rated.

Class Length	Resident	Non-Resident
45 min or less	\$48	\$56
60 min	\$54	\$62
75 min	\$58	\$66

Option 2 - Unlimited Tuition

Dancers may take as many classes per month as apply to them, which is beneficial for dancers taking three or more intermediate classes or four or more advanced classes. If you choose to pay the unlimited- payments will be automatically withdrawn each month for the Civic Dance year. Your child will also be automatically registered for courses each session. If choosing this option, be sure to fill out tuition agreement form.

*If taking both Intermediate and Advanced classes, you will be charged the Advanced unlimited rate.

Intermediate Classes \$71/\$78

Advanced Classes \$90/\$99

For the summer, you can sign up for the entire summer session as a class. (June-August)

Civic Dance Studio classes emphasize correct technique, placement, elegance and discipline. Class typically includes a warm-up, progressive steps across the floor and dance combinations. Ballet classes include ballet and pointe at the barre.

Students progress at different rates. To assign the class most helpful to them, dancers will be assessed for ability as well as age, with age considered secondary. Students also will be monitored to be sure that placement is correct.

If you have any questions or concerns, please feel free to speak to your child's instructor. Civic Dance Studio also has a Competition Team. If you are interested in being on the team, please contact the instructors.
