Helping O'Fallon Maintain Excellence

Since 2004, Project HOME has been helping to preserve O'Fallon as a great place to live. In 2016, Project HOME will continue its mission of providing assistance with home repairs to low-income homeowners, with a focus on low-income residents with disabilities. Our belief is that every resident, regardless of income, should have a safe and healthy home to live in.

On behalf of the City of O'Fallon, thank you for your continued support of Project HOME. Please continue to be a "player" in this valuable community project by becoming a sponsor of the Project HOME Golf Tournament. Tee off, have fun and help the community all in one day.

For more information, please contact Alexis Jaegers at ajaegers@ofallon.mo.us or 636-379-5411.
