O'Fallon Parks & Recreation
Master Plan
COMMUNITY INFLUENCES

Mini Parks, Year 2020

Recommended Standard of 1/4 Acres per 1,000 Residents

- Neighborhood Park
- Mini Park
- District Park
- Metropolitan Park
- City Park Service Area
- Subdivision Functioning as a Park Service Area
- City Parks
- Lakes
- ~ Streams
- ~ Interstate
- ~ Highways
- ~ Major Roads
- City Limits

Note: Each Circle represents a 1 acre Mini Park serving approximately 4,000 residents.

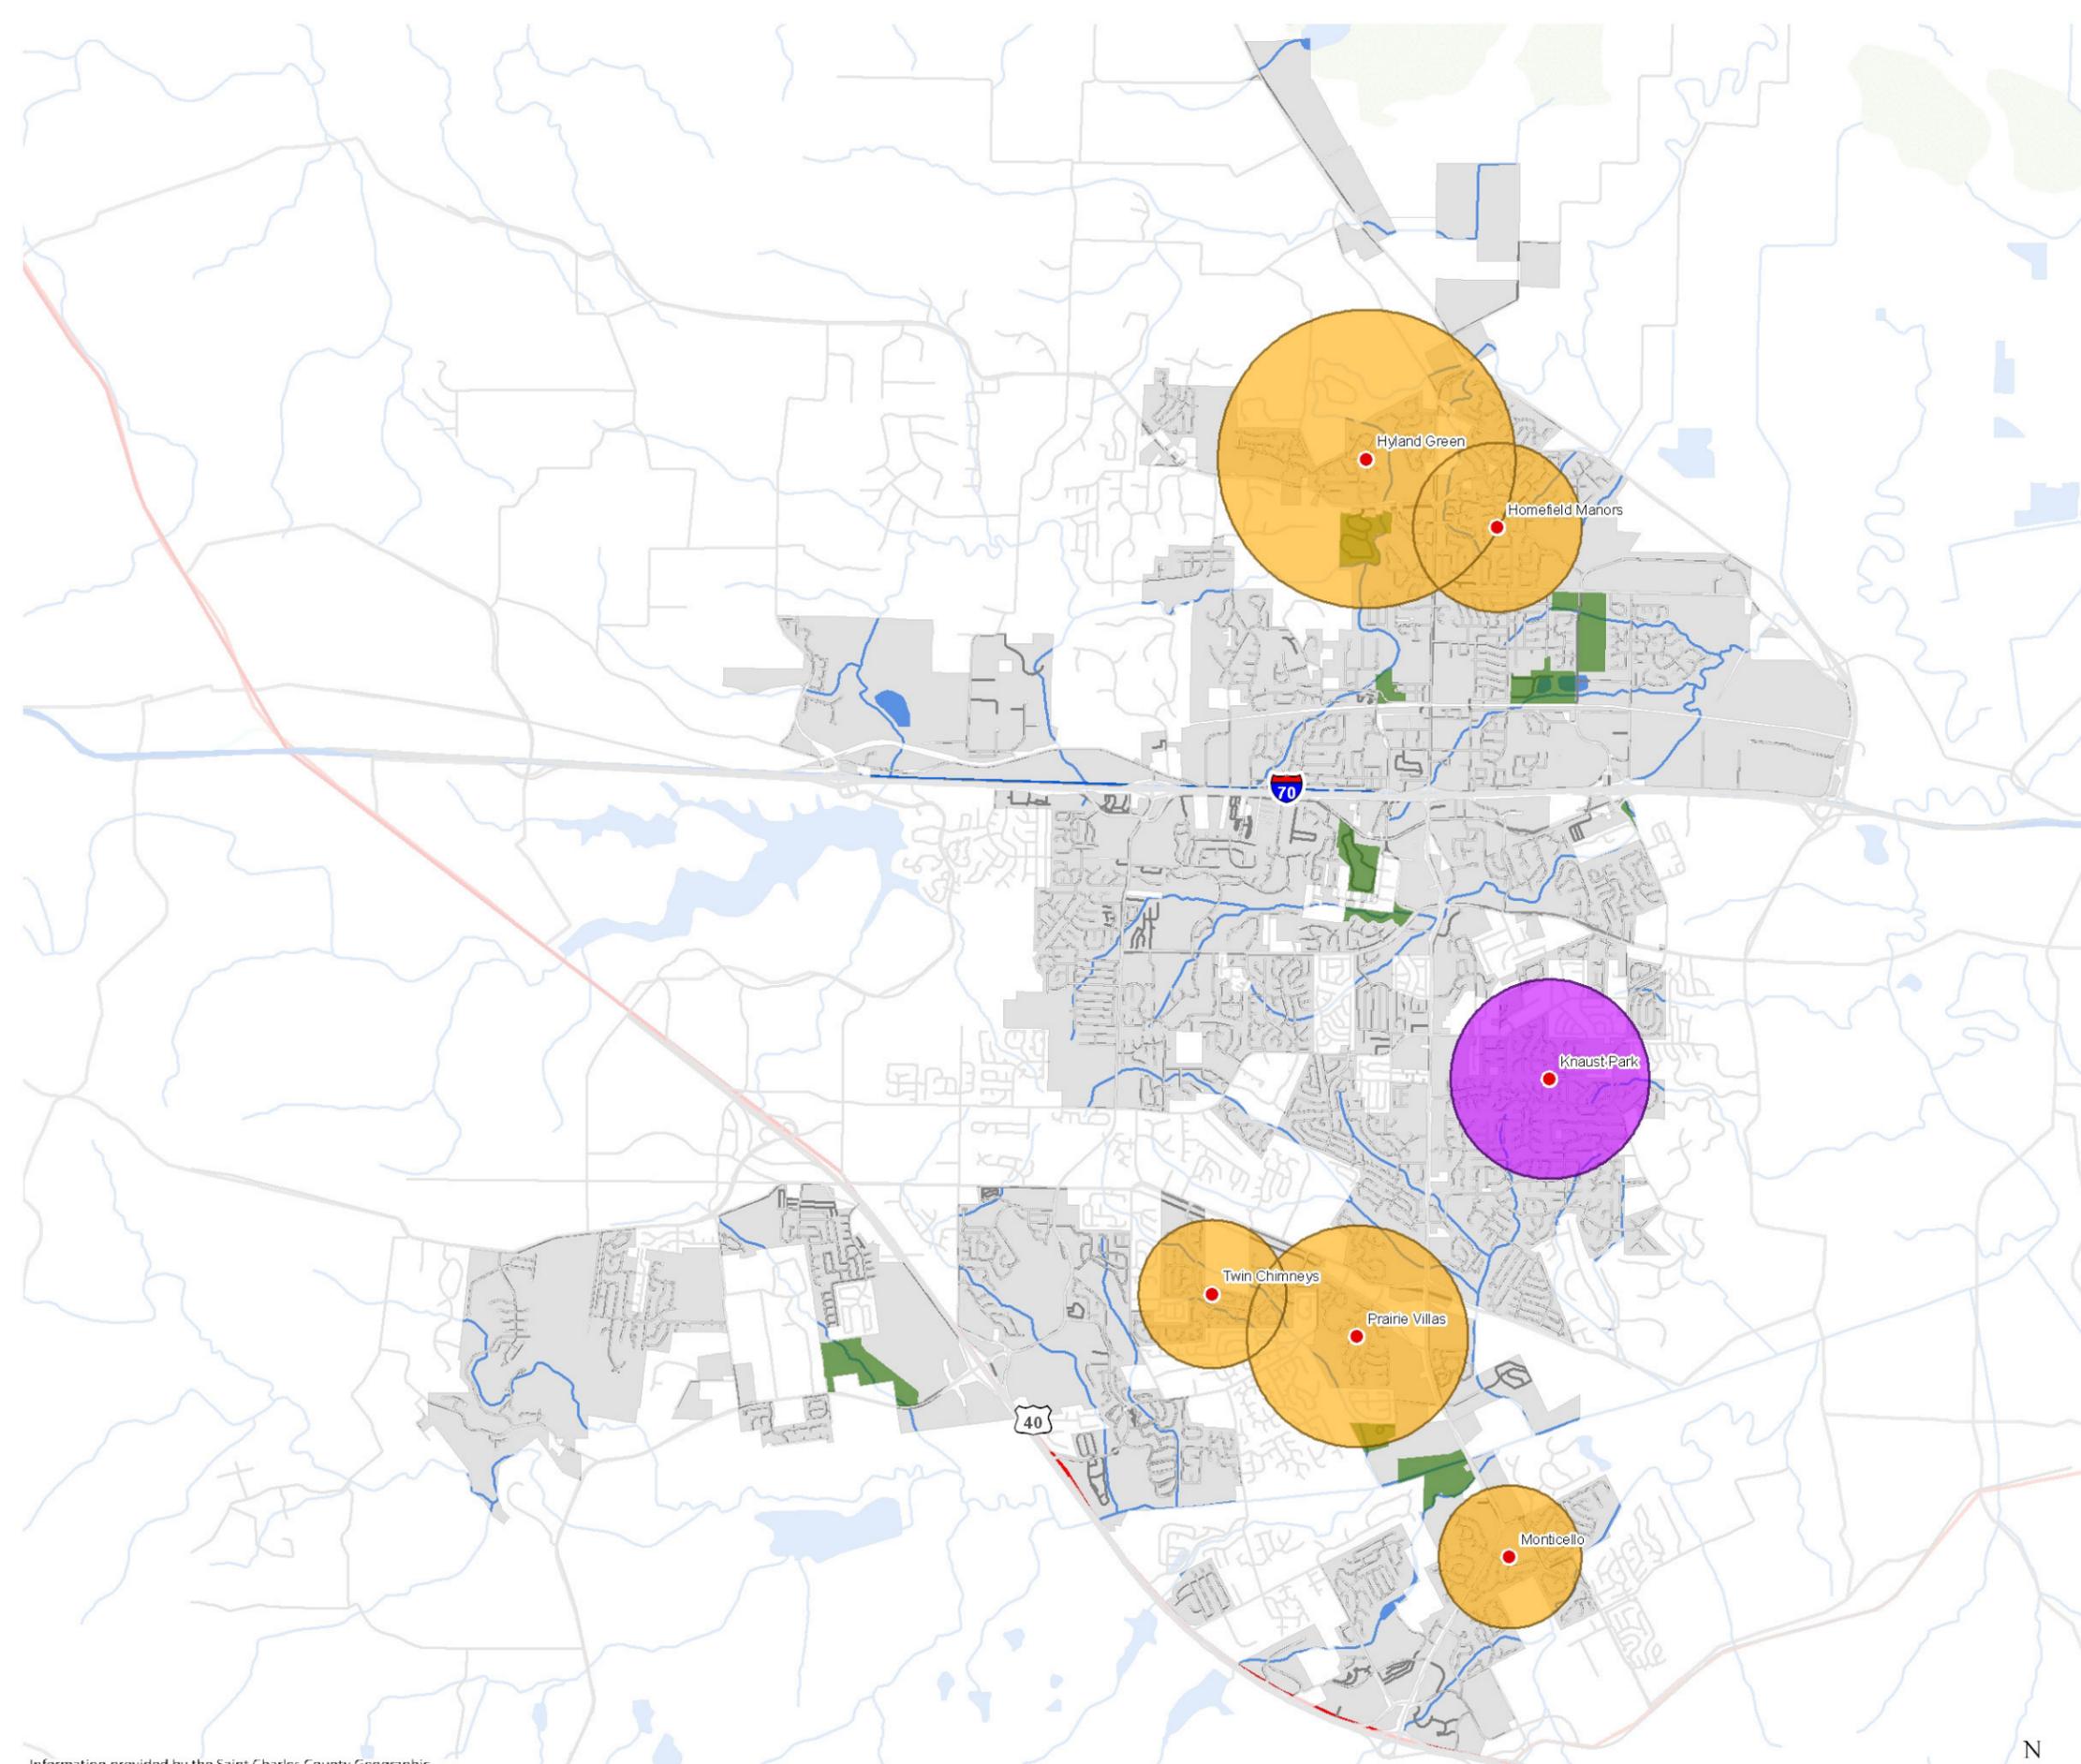

O'Fallon Parks & Recreation
Master Plan
COMMUNITY INFLUENCES

Neighborhood Parks, Year 2020

Recommended Standard of 1.5 Acres per 1,000 Residents

- Neighborhood Park
- Mini Park
- District Park
- Metropolitan Park
- City Service Area
- Subdivision Service Area
- City Parks
- Lakes
- ~ Streams
- ~ Interstate
- ~ Highways
- ~ Major Roads
- City Limits

Note: Each Circle represents a 5 acre Neighborhood Park serving approximately 4,000 residents, except for Knaust Park

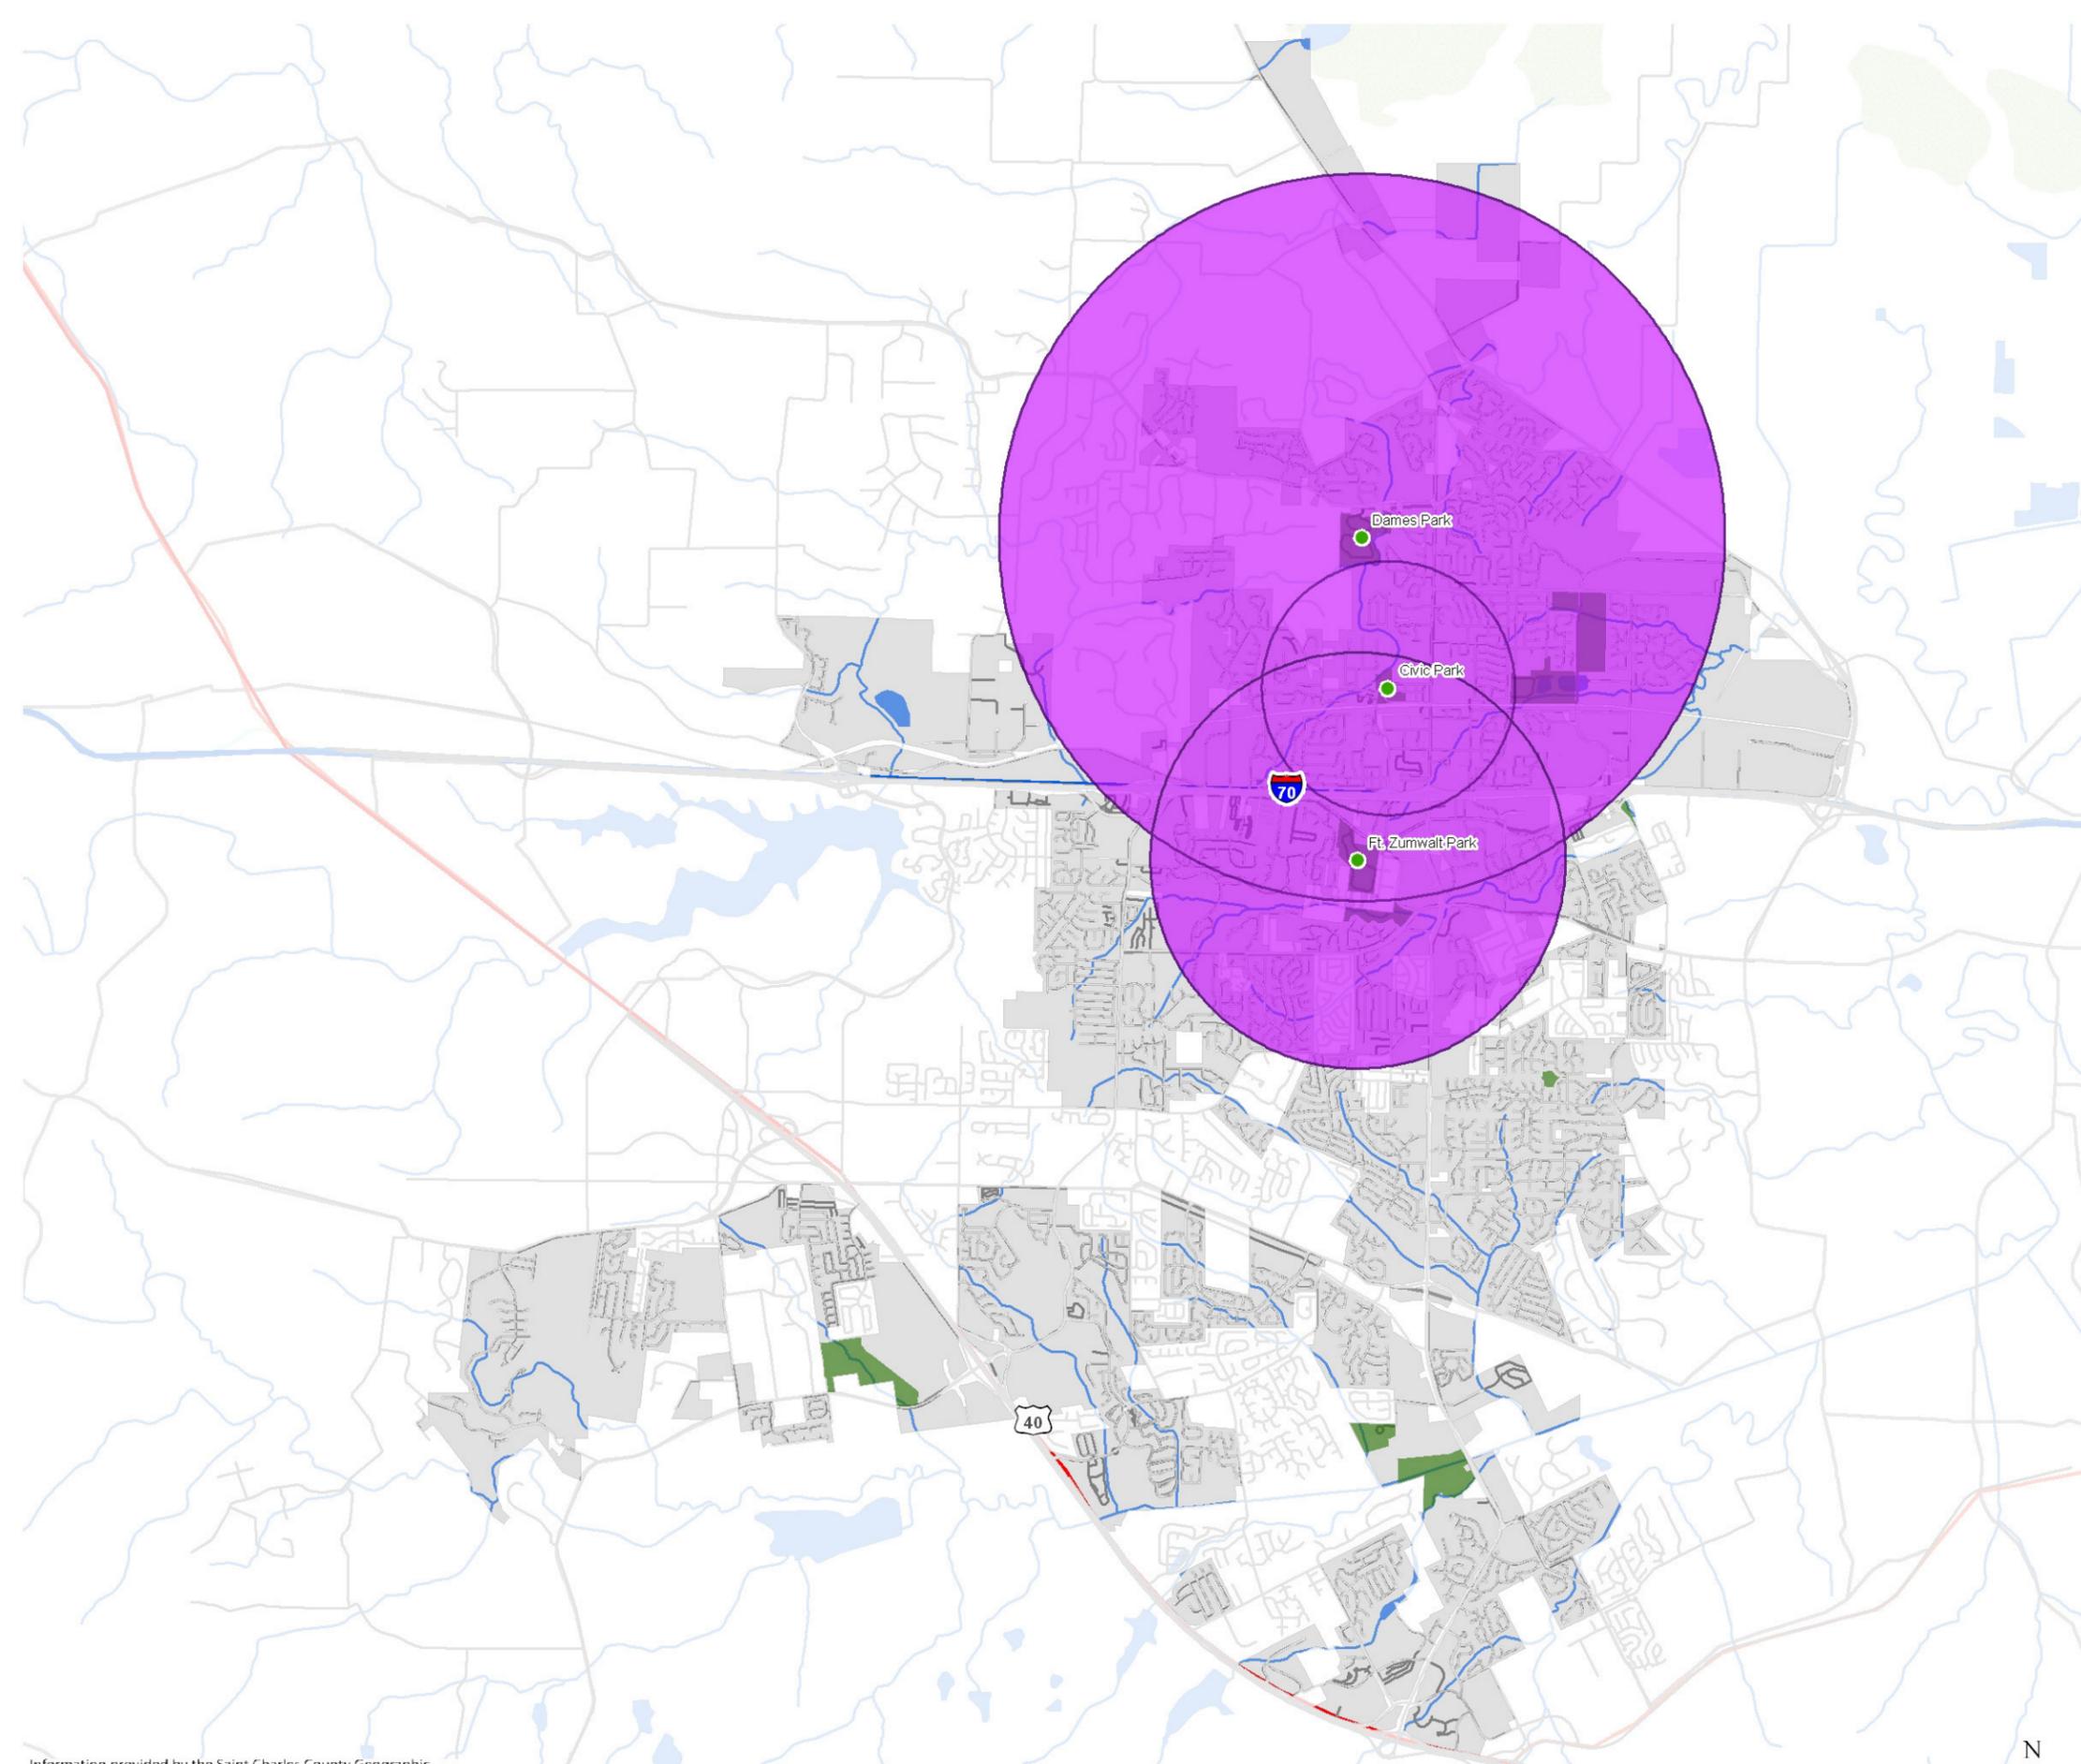

O'Fallon Parks & Recreation
Master Plan
COMMUNITY INFLUENCES

District Parks, Year 2020

Recommended Standard of 2.5 Acres per 1,000 Residents

- Neighborhood Park
- Mini Park
- District Park
- Metropolitan Park
- City Service Area
- Subdivision Service Area
- City Parks
- Lakes
- ~ Streams
- ~ Interstate
- ~ Highways
- ~ Major Roads
- City Limits

Note: The circles represent the following: Civic Park is 20 acres serving 8,000 residents, Dames Park is 59 acres serving 23,600 residents and Fort Zumwalt Park is 47.5 acres serving 19,000 residents.

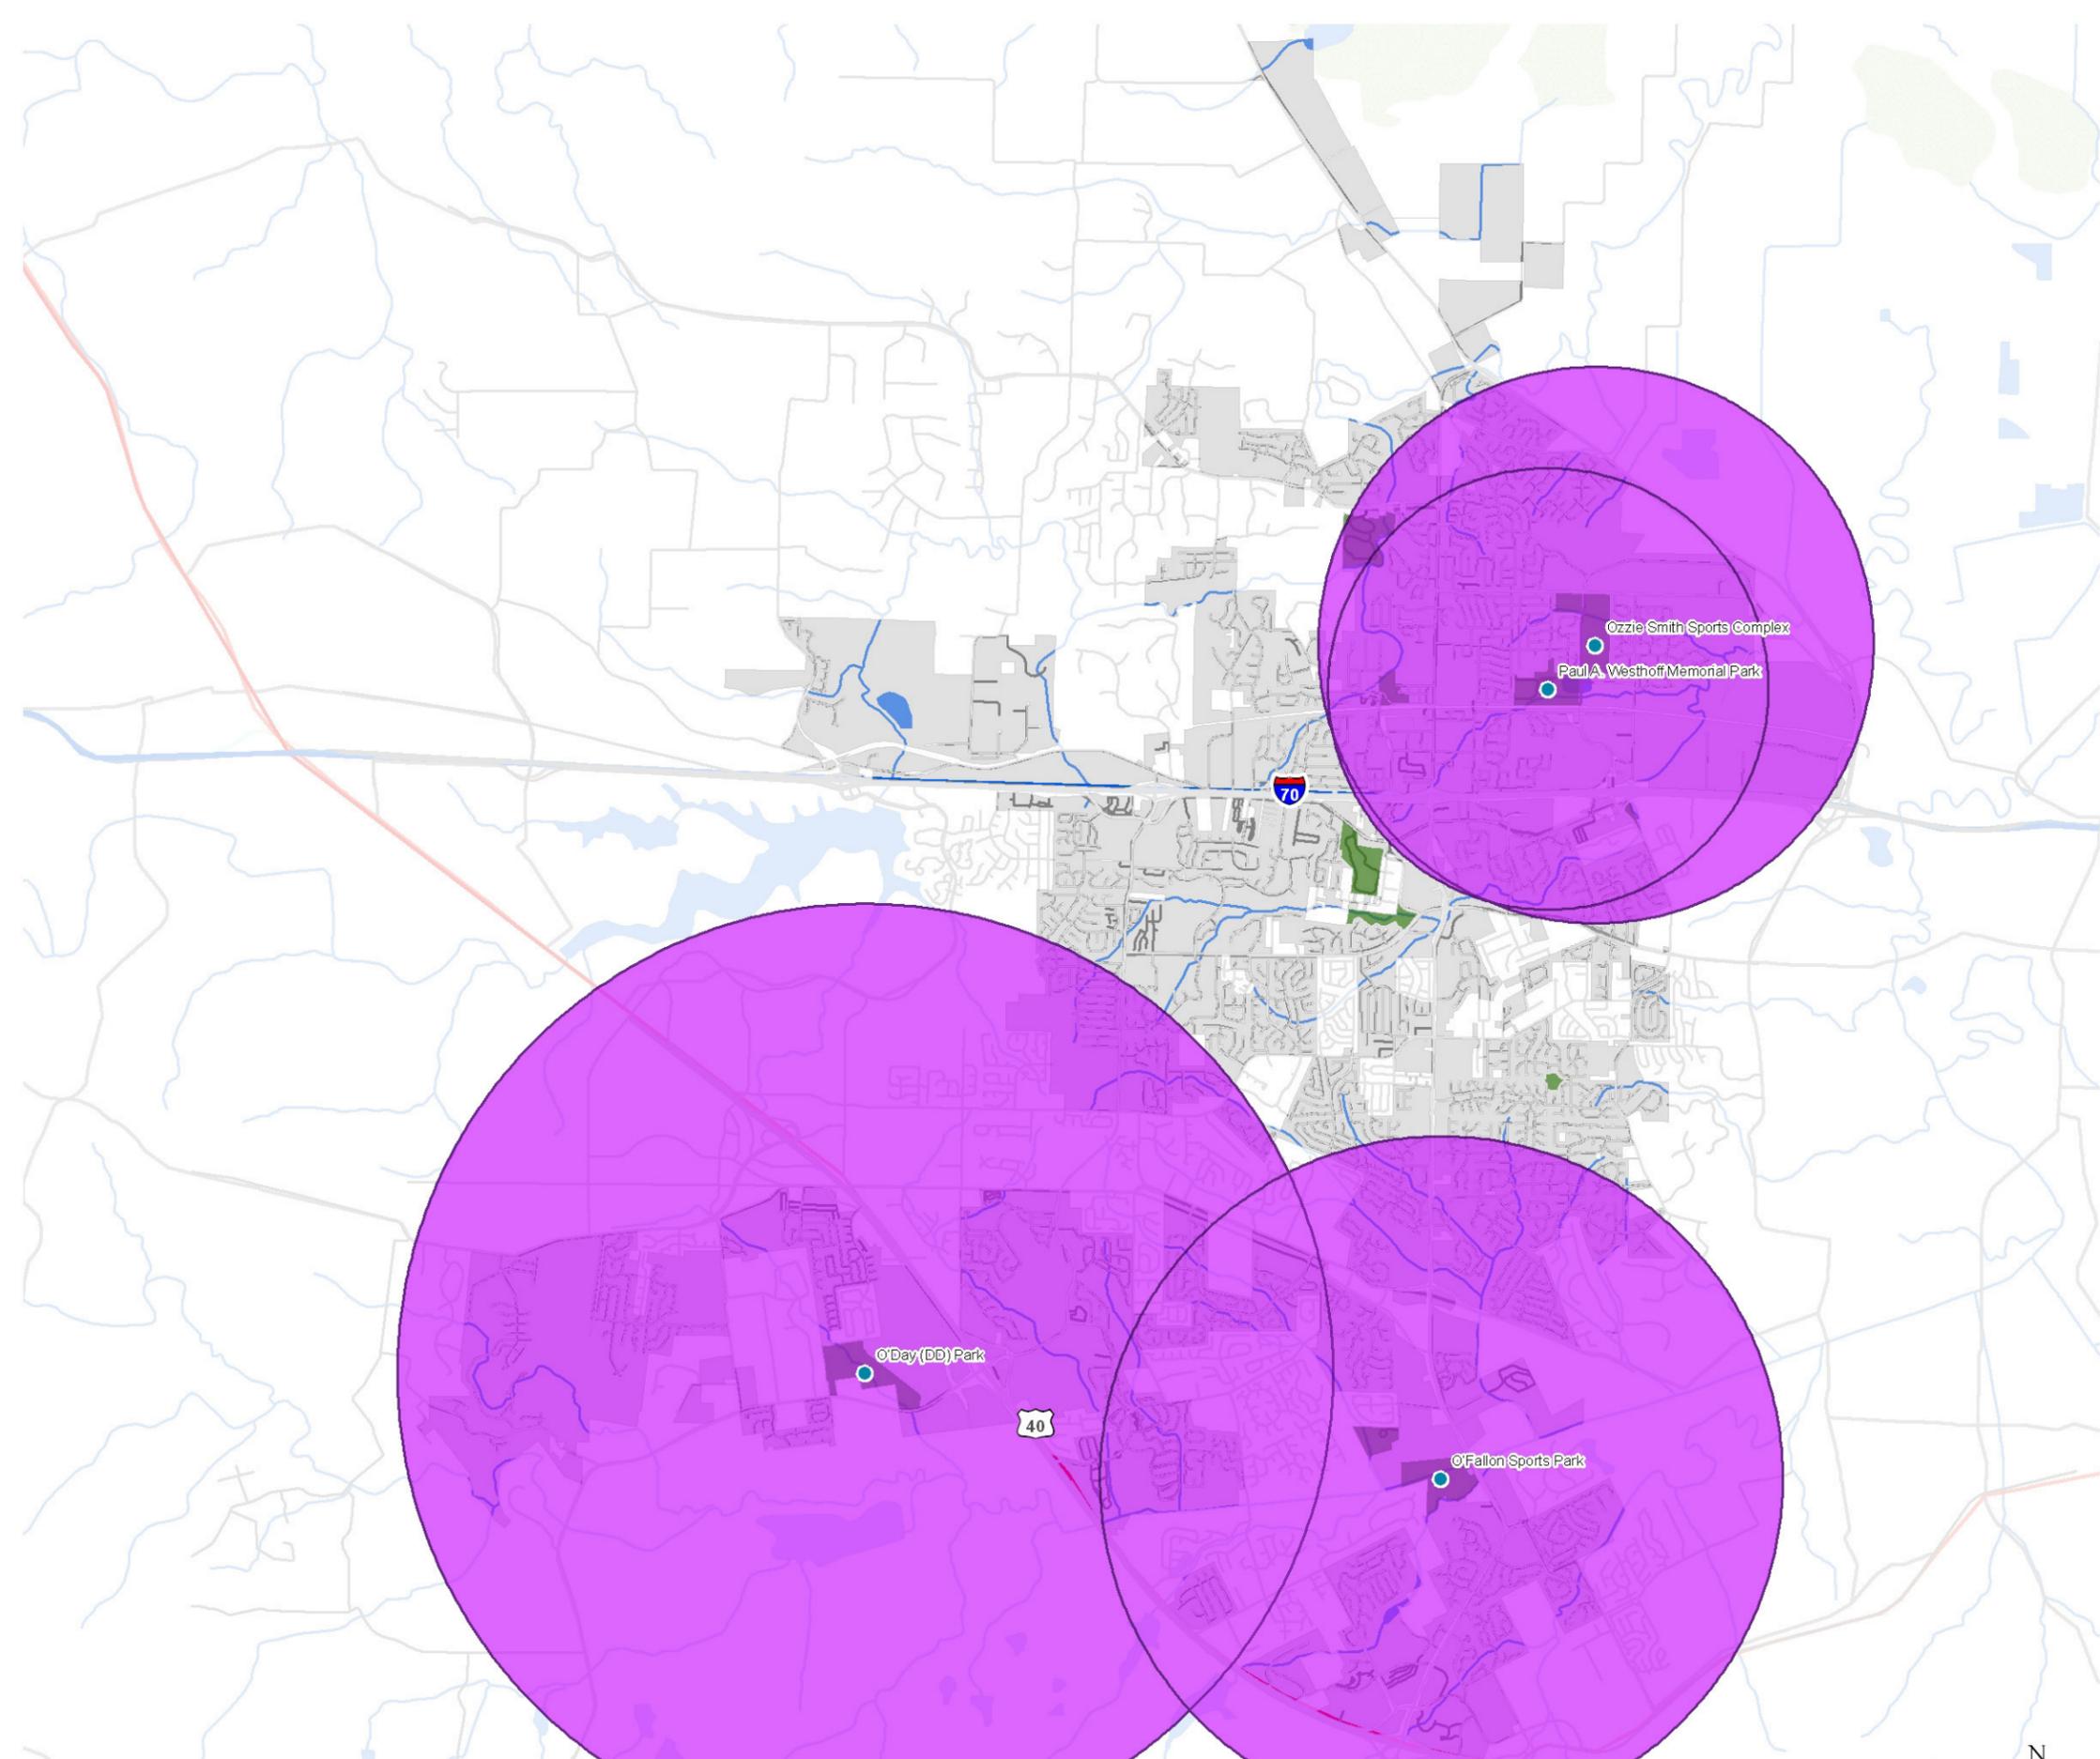

O'Fallon Parks & Recreation
Master Plan
COMMUNITY INFLUENCES

Metropolitan Parks, Year 2020

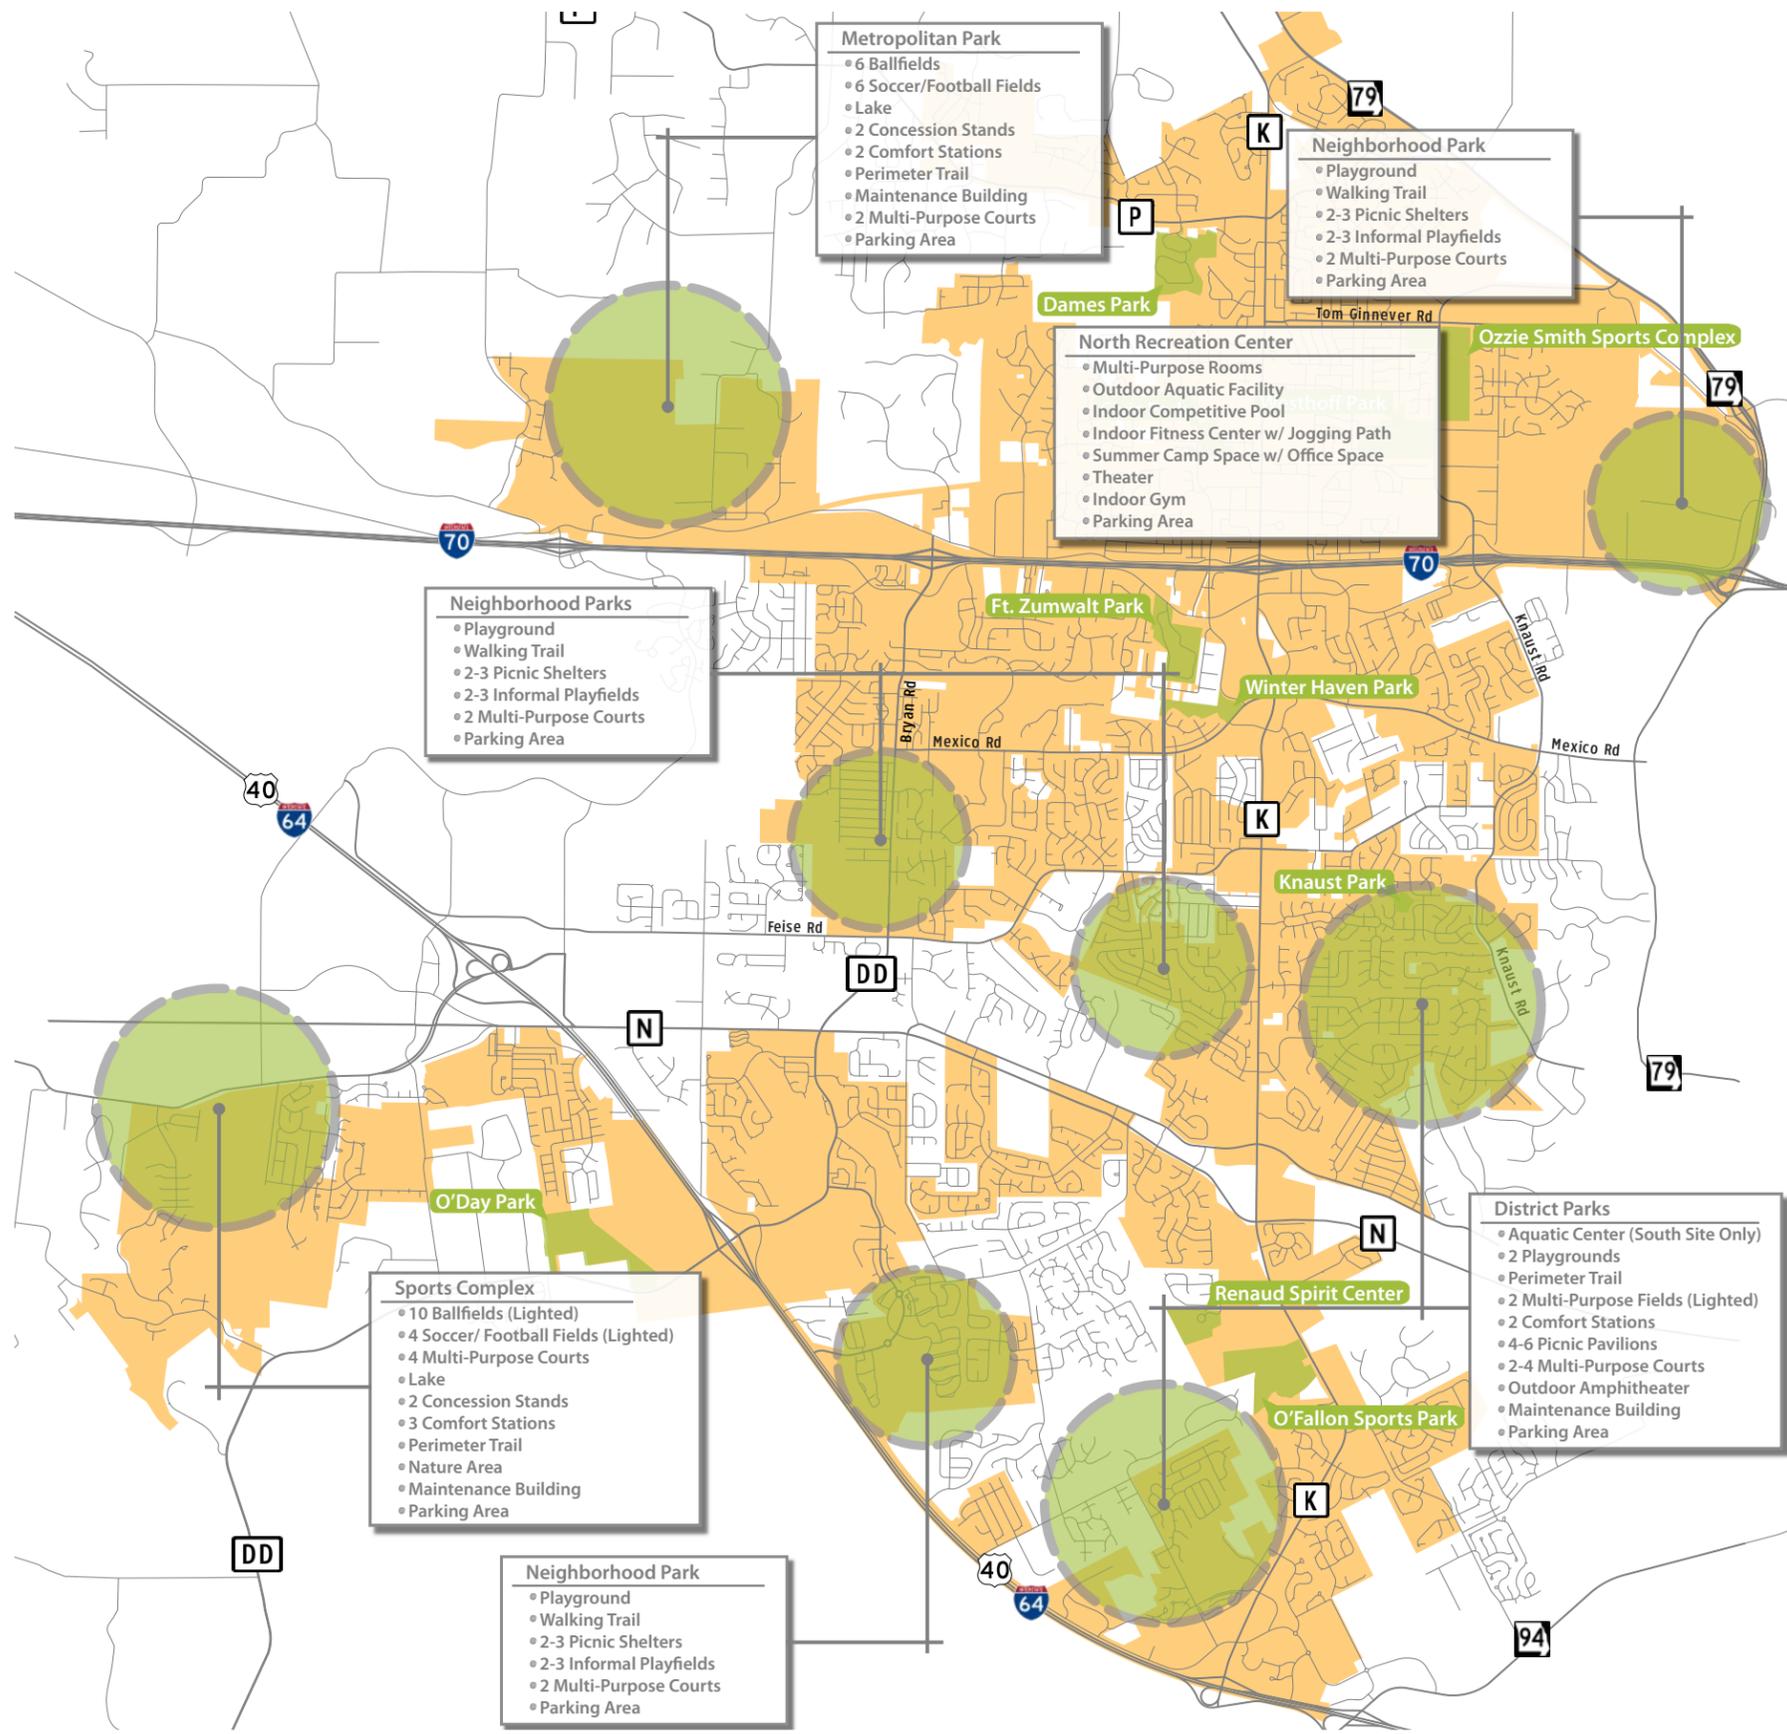

Recommended Standard of 2.5 Acres per 1,000 Residents

- Neighborhood Park
- Mini Park
- District Park
- Metropolitan Park
- City Service Area
- Subdivision Service Area
- City Parks
- Lakes
- ~ Streams
- ~ Interstate
- ~ Highways
- ~ Major Roads
- City Limits
