

# Civic Dance Studio June 2017-May 2018

This great eleven-month dance program encourages students to practice and improve throughout the school year, and culminates with a Year-End Dance Recital. Class participation is crucial in preparing for the recital, so we ask that children commit to attending ALL scheduled classes through May 2018.

New students will be accepted into the program at any time; however, students joining after February 2018 will not be eligible to participate in the recital held. Classes are held at the Civic Annex [410 East Elm Street, O'Fallon, MO 63366].

Regular participation in Civic Dance Studio is the best way to help students build a progressive foundation for dance as they learn and practice dance steps and master the skills they need.

# Class Schedule

Civic Dance Studio classes emphasize correct technique, placement, elegance and discipline. Class typically includes a warm-up, progressive steps across the floor and dance combinations.

Students' progress at different rates. To assign the class most helpful to them, dancers will be assessed for ability as well as age, with age considered secondary. Students also will be monitored to be sure that placement is correct.

If you have any questions or concerns, please feel free to speak to your child's instructor. Civic Dance Studio also has a Competition Team. If you are interested in being on the team, please contact the instructors.
